APPLYING FOR COVERAGE

To apply, all you need to do is complete the application in full and pay the appropriate premium, given your age category and desired deductible amount. Be sure to answer all sections and questions as completely, accurately, and as legible as possible. The application you complete becomes part of your certificate of coverage should you be accepted. Once the underwriters have had an opportunity to review the application, SRI may request additional information from the applicant. If you are accepted, you will receive an ID Card confirming your effective date and conditions of acceptance, as well as a claim form and a certificate of coverage, which describes the program in complete detail and describes how the insurance can be utilized. If you are ultimately not accepted, SRI will return your premium without delay.
